**Attention:** Jeffrey Jansen

Dear Jeffrey,

As we are nearing the end of another year I just wanted to take a moment to express my thanks to PC Corp, and to you especially, for the excellent service and support you have given Flint Energy Services Ltd. over the past couple of years.

Ours is a fast changing growth industry and, as such, we can be a demanding partner. I have found your organization meeting, and in many cases, surpassing the expectations we have set. Whether it is delivery of our standard product needs, our sometimes "from out of left field" software chases, our rush orders or the need of technical assistance at one of our many Alberta sites you have come through.

Please pass on my thanks to all the staff in your organization that supports us as well, in most part behind the scenes. I know they are as dedicated to our success as you.

Yours truly,

Gary Wiebe  
Manager, Computer Services
