¹Financing available through Hewlett-Packard Financial Services Company (HPFSC) to qualified commercial customers in the United States and Canada and is subject to credit approval and execution of standard HPFSC documentation. Offer valid through April 30, 2009 on transactions in the United States between \$1500 USD and \$150,000 USD and in Canada between \$5000 CAD and \$150,000 CAD. Zero percent financing assumes transaction is documented as a lease with a \$1 end-of-term purchase option (or local currency equivalent), assuming lessee is not required to pay any nominal end-of-term purchase price at the end of the lease term and disregarding any charges payable by lessee other than rent payments (such as maintenance, taxes, fees and shipping charges). This offer cannot be combined with any other rebate, discount or promotion without prior approval by HP and HPFSC. Rates are based on customer's credit rating, financing terms, offering types, equipment type and options. Not all HP products are eligible for 0% lease rate. Not all customers may qualify for these rates. Other restrictions may apply. HPFSC reserves the right to change or cancel this program at any time without notice.

For the life of your technology. For the good of your business

The economy is taking its toll on many companies. Large and small companies alike are finding it harder to make the financial commitments needed to enhance or even maintain IT infrastructures. While investing in a downturn might seem counterintuitive, cutting-back or staying with the status quo may result in higher overall IT costs, reduced business performance and lower customer satisfaction.

HP Financial Services can help in a way that you may not have considered. We can help you invest in your business while preserving precious capital. For a limited time only, get the technology your business needs and the flexibility and affordability you deserve with our 36 months, 0% lease rate.
